

# Have your say

## Humber Carbon Capture Pipeline Statutory Consultation

29 October to 17 December 2025

Following our initial consultation held in Summer 2024, Northern Endurance Partnership invites you to take part in our statutory consultation on the proposed Humber Carbon Capture Pipeline.

We have now published updated maps of our proposals and shared further details of our ongoing assessments. More information is available on our website at [www.nephccp.co.uk](http://www.nephccp.co.uk)

The Humber Carbon Capture Pipeline is a proposed underground, onshore pipeline with Above Ground Installations and a Pump Facility that would transport carbon dioxide produced by industrial projects in the Humber region to secure offshore storage under the North Sea.

This project is vital to decarbonising the Humber industrial cluster, the highest carbon producing region in the UK, supporting the energy transition and local jobs across a range of industries.

Paper copies of our materials are available at information points along the proposed pipeline corridor.

Details of these locations can be found on our website or by calling us on the phone number below.

STATUTORY CONSULTATION

We are welcoming your views and feedback on the project.

More information about the project, and how to provide feedback, can be found on our website at: [www.nephccp.co.uk](http://www.nephccp.co.uk) (scan the QR code above to visit our website)

Deadline for feedback  
17 December 2025

You can contact us by

Phone  
**0800 024 1436**  
(Open Monday to Friday 9am to 5pm, please leave a voicemail outside of these times)

Email
